Tues-Thursday are busy – ELMS summit – Friday was blocked as my normal telework day, so I am available on Mon and Friday next week.

Thanks for checking!

Hi, Joe

I'm looking at your calendar now and you have large chunks of your afternoons on Tue-Fri that are blocked as busy. Are those dates and times absolutely out for you?

Subject: ND DEQ would like to have a call re: selenium

Hi Mario, I just received an email from Pete Wax, WQS Coordinator with North Dakota DEQ, who said based on internal discussions at DEQ, he and Karl Rockeman, WQ Division Director, would like to have a call with headquarters personnel to discuss the selenium issue.

Andrew Todd will also be on the call. Free times for ND DEQ are (central time): Monday after 3:00, Tuesday 8:30-9:30 and 11:30-5:00, Wednesday (all day), Thursday 1:00-5:00, Friday (all day).

Shall I get in touch with Lars et al, or do you have time to coordinate a call? I'll set it up once I know everyone's availability.

Thanks,
Holly
